

REMARKS

This is intended as a full and complete response to the Office Action dated February 10, 2005, having a shortened statutory period for response set to expire on May 10, 2005. Please reconsider the claims pending in the application for reasons discussed below.

Claims 1-29 are pending in the application. Claims 1-29 remain pending following entry of this response.

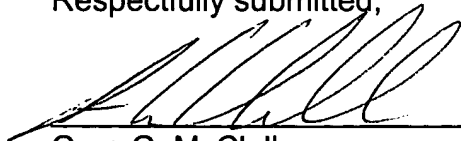

Claims 1-29 are rejected on the basis of *Chen et al.* (US 2003/0093629), either alone, or in combination with one or more other references. Filed herewith is an Inventors' declaration submitted pursuant to 37 CFR § 1.131. It is believed that the declaration removes *Chen* as a reference. Applicants submit, therefore, that the claims are allowable, and respectfully request that the rejection be withdrawn.

Conclusion

The secondary references made of record are noted. However, it is believed that the secondary references are no more pertinent to the Applicants' disclosure than the primary references cited in the office action. Therefore, Applicants believe that a detailed discussion of the secondary references is not necessary. for a full and complete response to this office action.

Having addressed all issues in the office action, Applicants respectfully submit that the claims are in condition for allowance and request that they be allowed.

Respectfully submitted,
